

PSC VACANCY STATUS UPDATE 2-15-23

SUMMARY: The PSC currently has 3 vacant positions, 2 of which must be held open until July 1, 2023, for vacancy savings; and 1 which was just vacated and will be filled as soon as possible. The following table documents vacancy status from January 1, 2023 to February 15, 2023. On January 1, 2023, the PSC had 5 vacant positions. Three of these positions have been filled. Two must be held open until July 1 for vacancy savings.

POSITION:	VACATED:	FILLED:	NOTES:
1. Regulatory Compliance Specialist 42100010	10/31/2022	2/13/2023	NO LONGER VACANT. Advertised 12/27/22.
2. Executive Director 42100020	7/1/2022	1/17/2023	NO LONGER VACANT. Held open for 6 months due to vacancy savings budget limits.
3. Lawyer 2 42100038	12/3/2022	CAN NOT FILL YET DUE TO VACANCY SAVINGS	MUST BE HELD OPEN UNTIL JULY 1 FOR VACANCY SAVINGS. Advertised 2/8/23 with start date after July 1, 2023.
4. Utility Rate Analyst 1 42100049	9/3/2022	3/13/2023*	NO LONGER VACANT. Hired 1/17/23. *Start date of 3/13/23.
5. External Affairs Coordinator 42100052	10/1/2022	CAN NOT FILL YET DUE TO VACANCY SAVINGS	MUST BE HELD OPEN UNTIL JULY 1 FOR VACANCY SAVINGS.

NEW VACANCY: In addition to the positions in the above table, the agency had 1 additional position become vacant on 2/10/23. This was a Regulatory Compliance Specialist who had been working as a Temporary Employee in position 42100042. The Temporary Employee successfully applied for and was hired to fill the permanent Regulatory Compliance Specialist position 42100010 shown as item 1 above.

Due to impacts of the Vacancy Savings requirement, the PSC has had to leave approximately 10% of its staff positions vacant for periods of 6 months or more this fiscal year.
